Dear Dr. Ente:

On behalf of the Colonial Williamsburg Foundation, I want to express my appreciation for your support through your membership in the Duke of Gloucester Society.

As you know, it is both our duty and privilege to protect this national treasure—where events that took place more than 230 years ago gave rise to this Nation, and continue to define us as people. Your generosity allows us to preserve buildings which have stood for centuries, protect priceless artifacts of the Revolution, and share the extraordinary stories of America's earliest patriots. With the continuing support of friends throughout the country, we can and will secure this hallowed landmark for generations to come.

Please know how grateful I am for your support. Your gift of \$100.00 will go directly toward the fulfillment of our mission, "That the Future May Learn from the Past." Throughout the year, you will receive *Trend and Tradition: The Magazine of Colonial Williamsburg*, which I hope you will enjoy.

With thanks and all good wishes.

Sincerely,

Mitchell B. Reiss
